List any health conditions such as heart disease, diabetes, seizure disorder, severe allergies, eye or ear problems or any chronic condition that you as a parent/guardian feel should be shared with the student's teacher or school nurse.

Special Medical Considerations:

Allergies:

In the event of a serious illness or accident to your child during the regular school day, the school will:

1. Contact you for directions. If you wish to have a doctor called, they will ask you to call him/her.
2. Call the school doctor for emergency treatment if it is impossible to reach you.
3. Contact the local ambulance and transport the child to the Memorial Hospital of Salem County in the event that the responsible school official cannot successfully complete steps one and/or two above.
4. If the parent is not readily available to take a student for drug testing, the school physician shall have the authority to authorize the appropriate test.

We think it is important that we have clear-cut procedures in this regard and that everyone understands them. Such emergencies do occur, unfortunately, in any group endeavor involving large numbers of students, even though we do all we can to avoid them. The financial responsibility for all such care belongs to the parent(s)/guardian(s).

**2018-2019 PARENT/GUARDIAN/CAREGIVER NOTIFICATION
STUDENT ATTENDANCE, ENROLLMENT/REGISTRATION,
AND TRANSFER/WITHDRAWAL REQUIREMENTS**

New Jersey’s Compulsory Education Law: *N.J.S.A. 18A:38-25 et seq.* requires students between the ages of 6 and 16 to attend school on a regular basis. Parents, guardians or caregivers who fail to have their children attend school regularly may be brought to court and fined.

Consecutive Unexcused Absences from School: *N.J.S.A. 18A:36-25.2* requires school officials to conduct an investigation whenever a student is absent from school for five (5) consecutive unexcused days to determine the reason for the absences. If child abuse or neglect is suspected as defined in Title 9:6-8.9, school officials are required to notify the Division of Youth and Family Services (DYFS) and local law enforcement agencies. Parents, guardians or caregivers who fail to have their children attend school on a regular basis may be charged with child neglect or abuse in accordance with law.

Enrollment/Registration of Students: Students between the ages of 4 and 20 living in Penns Grove or Carneys Point are entitled to attend district schools. The following documents are to be provided at the time of the student’s enrollment – birth certificate, immunization records, transfer card and transcripts, a current report card if transferring from another district, proof of guardianship or natural parent, and proof of residency/eligibility. If any of these documents are not available at the time of enrollment, the parent, guardian or caregiver is to provide the missing documents to the school within 30 days, pursuant to *N.J.S.A. 18A:36-25.1*.

The following three forms are **required** to be completed and submitted at the time a student enrolls in school:

- (1) **School’s Enrollment Form** – includes the parent/guardian/caregiver’s name; current address; current telephone number(s); student’s name; date of birth; student’s grade; name of student’s former school, town and state; medical information; and identification of any other language other than English spoken by the student or in the student’s home;
- (2) **Enrollment Residency Questionnaire** – (a) if living with a relative or friend out of economic or family hardship, the name of that person must be provided; (b) if renting an apartment or home, a copy of the lease must be provided; and (c) if living in a hotel or motel, please provide its name; and
- (3) **Student Services Questionnaire** – identify any additional services the student may need due to a disability, language barrier, etc.

Change of Address: The parent, guardian or caregiver must contact the student’s school and complete a Change of Address form and Enrollment Residency Questionnaire within five school days after the student moves to a new address. Failure to promptly notify the school and provide adequate proof may result in the removal of the student from school, in accordance with *N.J.S.A. 18A:38-1(a)* or (b).

Students Transferring or Withdrawing from School District: The parent, guardian or caregiver of a student who is withdrawing from school is required by law to provide the name and location of the school district in which the student will be subsequently enrolled and the expected date of enrollment in the new school district. Also, the student’s new address and a telephone number where the family can be reached are to be provided, if available. If the new school’s name, location, and student’s expected enrollment date are not provided at the time the student withdraws, then the parent, guardian or caregiver is to provide this information within 10 calendar days after the student has withdrawn from school. If this information is not received within this 10-day period, the district will be required to notify the Division of Youth and Family Services (DYFS), in accordance with state law (Public Law 2007, Chapter 248).

I acknowledge that I have received a copy of this form.

Medicaid Annual Notification Regarding Parental Consent 2017-2018

Background: The State of New Jersey has participated in a Federal program, Special Education Medicaid Initiative (SEMI), since 1994. The program assists school districts by providing partial reimbursement for medically-related services listed on a student's Individualized Educational Program (IEP).

The SEMI program is under the auspices of the New Jersey Department of the Treasury through its collaboration with the New Jersey Department of Education and New Jersey Division of Medicaid Assistance and Health Services.

In 2013, the regulations regarding Medicaid parental consent for school-based services changed. Now the regulations require that, prior to accessing a child's public benefits or insurance for the first time, and annually thereafter, school districts must provide parents/guardians written notification and obtain a one-time parental consent.

Is there a cost to you?

No. IEP services are provided to students while at school at no cost to the parent/guardian.

Will SEMI claiming impact your family's Medicaid benefits?

The SEMI program **does not** impact a family's Medicaid services, funds, or coverage limits. New Jersey operates the school-based services program differently than the family's Medicaid program. The SEMI program does not affect your family's Medicaid benefits in any way.

What type of services does the School-Based Services program cover?

Evaluations	Physical Therapy	Nursing
Speech Therapy	Occupational Therapy	Specialized Transportation
Psychological Counseling	Audiology	

What type of information about your child will be shared?

In order to submit claims for SEMI reimbursement, the following types of records may be required: first name, last name, middle name, address, date of birth, student ID, Medicaid ID, disability, service dates and the type of services delivered.

Who will see this information?

Information about your child's special education program may be shared with the New Jersey Division of Medicaid Assistance and Health Services and its affiliates, including the Department of the Treasury and the Department of Education for the purpose of verifying Medicaid eligibility and submitting claims.

What if you change your mind?

You have the right to withdraw consent to allow for Medicaid billing at any time. If you would like to revoke consent, please contact the school in which your child is enrolled in writing.

Will your consent or refusal to consent affect your child's services?

No. Your school district is still required to provide services to your child pursuant to his or her IEP, regardless of your Medicaid eligibility status or your willingness to consent for SEMI billing.

What if you have questions?

Please call your school district's Special Education department with questions or concerns, or to obtain a copy of the parental consent form.

Special Education Medicaid Initiative (SEMI) Parental Consent Form

The Penns Grove-Carneys Point Regional School District is participating in the Special Education Medicaid Initiative (SEMI) program that allows school districts to bill Medicaid for services that are provided to students.

In accordance with the Family Educational Rights and Privacy Act, 34 CFR §99.30 and Section 617 of the IDEA Part B, consent requirements in 34 CFR §300.622 require a one-time consent before accessing public benefits.

This consent establishes that your child's personally identifiable information, such as student records or information about services provided to your child, including evaluations and services as specified in my child's Individualized Education Program (IEP) (occupational therapy, physical therapy, speech therapy, psychological counseling, audiology, nursing and specialized transportation,) may be disclosed to Medicaid and the Department of the Treasury for the purpose of receiving Medicaid reimbursement at the school district.

As parent/guardian of the child named below, I give permission to disclose information as described above and I understand and agree that Medicaid may access my child's or my public benefits or public insurance to pay for special education or related services under Part 300 (services under the IDEA). I understand that the school district is still required to provide services to my child pursuant to his or her IEP, regardless of my Medicaid eligibility status or willingness to consent for SEMI billing.

I understand that billing for these services by the district does not impact my ability to access these services for my child outside of the school setting, nor will any cost be incurred by my family including co-pays, deductibles, loss of eligibility or impact on lifetime benefits.

Child's Name: _____ Child's Date of Birth: ____/____/____

Parent/Guardian: _____

Date: ____/____/____ I give consent to bill for SEMI: **(circle one) Yes No**

This consent can be revoked at any time by contacting your child's Case Manager, or the administrator at your child's school, in writing.

Sincerely,

Mr. Sage R. Schmidt, MPA

Instructions for Completing the Universal Child Health Record (CH-14)

Section 1 - Parent

Please have the parent/guardian complete the top section and sign the consent for the child care provider/school nurse to discuss any information on this form with the health care provider.

The WIC box needs to be checked only if this form is being sent to the WIC office. WIC is a supplemental nutrition program for Women, Infants and Children that provides nutritious foods, nutrition counseling, health care referrals and breast feeding support to income eligible families. For more information about WIC in your area call 1-800-328-3838.

Section 2 - Health Care Provider

1. Please enter the date of the physical exam that is being used to complete the form. Note significant abnormalities especially if the child needs treatment for that abnormality (e.g. creams for eczema; asthma medications for wheezing etc.)

- **Weight** - Please note pounds vs. kilograms. If the form is being used for WIC, the weight must have been taken within the last 30 days.
- **Height** - Please note inches vs. centimeters. If the form is being used for WIC, the height must have been taken within the last 30 days.
- **Head Circumference** - Only enter if the child is less than 2 years.
- **Blood Pressure** - Only enter if the child is 3 years or older.

2. **Immunization** - A copy of an immunization record may be copied and attached. If you need a blank form on which to enter the immunization dates, you can request a supply of Personal Immunization Record (IMM-9) cards from the New Jersey Department of Health, Vaccine Preventable Diseases Program at 609-826-4860. The Immunization record must be attached for the form to be valid.

- "Date next immunization is due" is optional but helps child care providers to assure that children in their care are up-to-date with immunizations.

3. **Medical Conditions** - Please list any ongoing medical conditions that might impact the child's health and well being in the child care or school setting.

a. Note any significant medical conditions or major surgical history. **If the child has a complex medical condition, a special care plan should be completed and attached for any of the medical issue blocks that follow.** A generic care plan (CH-15) can be downloaded at www.nj.gov/health/forms/ch-15.dot or pdf. Hard copies of the CH-15 can be requested from the Division of Family Health Services at 609-292-5666.

b. **Medications** - List any ongoing medications. Include any medications given at home if they might impact the child's health while in child care (seizure, cardiac or asthma medications, etc.). Short-term medications such as antibiotics do not need to be listed on this form. Long-term antibiotics such as antibiotics for urinary tract infections or sickle cell prophylaxis should be included.

PRN Medications are medications given only as needed and should have guidelines as to specific factors that should trigger medication administration.

Please be specific about what over-the-counter (OTC) medications you recommend, and include information for the parent and child care provider as to dosage, route, frequency, and possible side effects. Many child care providers may require separate permissions slips for prescription and OTC medications.

c. **Limitations to physical activity** - Please be as specific as possible and include dates of limitation as appropriate. Any limitation to field trips should be noted. Note any special considerations such as avoiding sun exposure or exposure to allergens. Potential severe reaction to insect stings should be noted. Special considerations such as back-only sleeping for infants should be noted.

d. **Special Equipment** - Enter if the child wears glasses, orthodontic devices, orthotics, or other special equipment. Children with complex equipment needs should have a care plan.

e. **Allergies/Sensitivities** - Children with life-threatening allergies should have a special care plan. Severe allergic reactions to animals or foods (wheezing etc.) should be noted. Pediatric asthma action plans can be obtained from The Pediatric Asthma Coalition of New Jersey at www.pacnj.org or by phone at 908-687-9340.

f. **Special Diets** - Any special diet and/or supplements that are medically indicated should be included. Exclusive breastfeeding should be noted.

g. **Behavioral/Mental Health issues** - Please note any significant behavioral problems or mental health diagnoses such as autism, breath holding, or ADHD.

h. **Emergency Plans** - May require a special care plan if interventions are complex. Be specific about signs and symptoms to watch for. Use simple language and avoid the use of complex medical terms.

4. **Screening** - This section is required for school, WIC, Head Start, child care settings, and some other programs. This section can provide valuable data for public health personnel to track children's health. Please enter the date that the test was performed. Note if the test was abnormal or place an "N" if it was normal.

- For lead screening state if the blood sample was capillary or venous and the value of the test performed.
- For PPD enter millimeters of induration, and the date listed should be the date read. If a chest x-ray was done, record results.
- Scoliosis screenings are done biennially in the public schools beginning at age 10.

This form may be used for clearance for sports or physical education. As such, please check the box above the signature line and make any appropriate notations in the Limitation to Physical Activities block.

5. Please sign and date the form with the date the form was completed (note the date of the exam, if different)

- Print the health care provider's name.
- Stamp with health care site's name, address and phone number.
