In accordance with the Family Education Rights and Privacy Act (FERPA), school districts are no longer permitted to publish the names of students, their schools, room numbers, etc. in the newspapers. Therefore, the Penns Grove-Carneys Point Regional School District is providing you with a safe and secure manner to view your child/children's school record for the current school year. The Genesis Parent/Student Portal provides you with access to the following information:

- Contact Information (email, phone numbers, emergency contacts) for your child/children
- Your child/children's Marking Period, Exam and Final Grades.
- Your child/children's Report Cards.
- Your child/children's daily attendance record and possibly class attendance records (if your child/children's school uses class attendance).
- Teacher Gradebook assignments and assignment grades for your child/children.
- Your child/children's discipline records.

In order to have access to the portal, an email account must be associated with the parent/guardian contact information. Your child/children's email address should not be used for the Parent Portal. Students will have access to the school information via their Student Portal accounts.

If you are a current parent that has never accessed the Genesis Parent Portal, please click [here](#).

If you do not have a Parent Portal account and would like to request one, please click [here](#).
